GYMNASTICS

Dear Parents/ Caregivers,

This term our class will have gymnastics lessons each week with qualified gymnastics instructors from the Tamworth Gymnastics Club. The lesson is supervised by the class teacher. Due to the number of classes at Tamworth Public School this opportunity is given to Kindergarten–Year 4 classes only.

Classes are allocated a forty-minute session each week over eight weeks. Classes are conducted in accordance with the Department's PD/Health/PE syllabus.

If you would like your child to participate in gymnastics lessons this term, please return the permission note and payment of \$40. Cheques to be made out to Tamworth Public School or payment can be made online via the Parent Online Payment method or via cash.

Students MUST PAY before they take part in lessons. Unfortunately, we cannot offer a weekly payment schedule.
