#### **P&C MEETING**

On Monday 16 May the Tamworth Public School P&C will be holding their monthly meeting. The meeting will start at 7pm in the bottom of the new building (Year 5 classroom). Access can be made from the TPS carpark or the Brisbane Street gate opposite the ANZAC Gates. The P&C are an integral part of our school and raise much needed funds for a variety of projects, as well as provide an important social point for our school community. If you would like a tour of the new building this will be available at 6:45pm before the meeting.

#### **MOBILE PHONES / SMART WATCHES**

Lately there have been several students causing issues by bringing smart watches (watches that can make phone calls) to school. If your child needs to bring a smart watch to school they must be handed to the office on arrival, as mobile phones currently are. We appreciate your cooperation with this matter.

#### **CANTEEN NEWS**

Our wonderful Canteen Manager, Lou, and her band of volunteers do an amazing job sustaining the students and staff at Tamworth Public School. Lou is looking for some further volunteers, especially on a Friday, to help in the canteen. A reminder that if your child/children do not attend school on any given day and have ordered lunch please ring Lou and cancel, as hot food will not be replaced. If you have any queries please contact Lou through the front office.

### LIFE EDUCATION WITH K SPARKLES

The children of Kinder Sparkles had a special afternoon visiting Healthy Harold in the Life Education van. We learnt about the importance of a healthy lifestyle including what good personal hygiene looks like, choosing foods for a healthy diet, the importance of being active and ways to keep safe at home, school and in the community.

#### FRIENDSHIP AND ACCEPTANCE WITH 1G

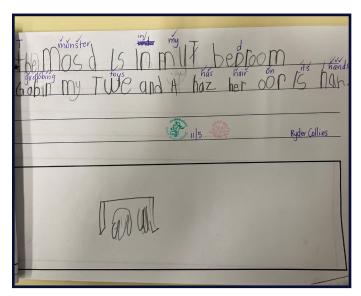

1G have been very creative in making artworks about Friendship, using different techniques to create artworks. We have been reading books on Friendship and Acceptance. The Rainbow Fish and My Friend were our first two art pieces.

#### **CLOTHING POOL INFORMATION**

Our clothing pool is in desperate need of larger size girls winter uniforms and white shirts. Any donations of uniforms are greatly appreciated. We are looking for volunteers to be able to wash our uniforms that end up in our lost property. If you are interested in doing this please call our front office to be put on our list. The clothing pool will be open on a Tuesday afternoon between 2:30 pm and 3:30 pm with Lynne.

**Grab & Go Snacks** 

Everyday snacks are an important part of the lunchbox.

Keep snacks bite size and easy to eat so your kids can have lots of time to play! Here's a few ideas:

- Choose snack sized vegetables like baby cucumbers, snow peas and cherry tomatoes that are ready to eat
- Choose other everyday snacks that are easy to eat like mini hot cross buns, wholegrain crackers, popcorn, yoghurt cups or cut-up fruit.
- Some kids may be put off by foods that have been squashed. Store easily squished items like cherry tomatoes or grapes in containers. Remember to make sure the lids are easy to open!
