## FROM THE PRINCIPAL'S DESK

### End Of Year Music Concert

On Wednesday evening Tamworth Public School students who have been taking part in music lessons this year showcased their talents at the Annual TPS Music Concert in the School Hall. What an amazing experience to listen to our students play a variety of instruments after all their hard work this year. A big thanks you to Ms De Moray for all her organisation of our music program and to our music tutors; Mr Weir, Mr De Moray, Mr Blaxland and Mr Gutteridge for their efforts this year.

### Tamworth Regional Sports Awards

On Friday night the Tamworth Public Tennis Team and the Tamworth Public Boys Hockey Team were nominated in the Tamworth Regional Council's Junior Sports Team of the Year. A big congratulations to the Tamworth Public Tennis Team who won the award. A great year for the team.

## Oxley High School- Growing Great Teachers

On Wednesday a number of Oxley High School students attended TPS, participating in the Creating Chances Programme. This programme gives high school students who are interested in a career in teaching an opportunity to organise activities for primary school students and observe in the classroom. The high school students organised PE activities and worked in our Stage 3 classrooms. This is a great initiative and one which we will continue into 2024.

## Presentation Day 2024

On Wednesday 6 December Tamworth Public School will be holding our annual Presentation Day awards ceremony at TRECC. All students from 3-6 will be attending as well as K-2 award winners and those in the infants choir. The ceremony will begin at 10am and parents/carers/family members are welcome to attend. Permission notes have been sent out on School Bytes. At the conclusion of the ceremony all students will catch the bus back to school. Any students taking leave after will need to be signed out at the school office and not collected at TREC.

## Colour Run Friday

Friday 1 December is our 'Big Show' colour run. All students K-6 will participate in the fun run at various times throughout the day on the Primary Oval. On Friday Students are asked to come to school dressed in their colour run clothing. Students are encouraged to wear light or white coloured T-shirt and Shorts & enclosed shoes. The colourful dye doesn't wash out so older clothes are also best to wear. Students can wear their own hat if they would like to. All students are asked to also pack a change of clothes to change into after the colour run. These can be casual clothes not school clothes. A small old towel or hand towel may also be handy. We can't wait for the fun to begin.

## Sandwich filling inspiration

Sandwiches are a great everyday lunch option! Looking for inspiration to try some new sandwich fillings? Try these!

- Bulk out the sandwich with vegetables. Try using carrot, tomato, lettuce, baby spinach, avocado, beetroot, cucumber or pineapple as the bulk of the sandwich.
- Try using leftover lean meats, boiled eggs, reduced fat cheese, BBQ chicken (skin removed), canned fish, turkey, roast vegetables, falafel or tofu to switch-up fillings!
- Swap your spreads! Instead of butter or margarine try cream cheese, cottage cheese, avocado, hummus or tzatziki.
