## TENNIS

Dear Parents/ Caregivers,

This term our class will have tennis lessons each week with qualified tennis coaches from North West Tennis Academy.

Classes are allocated two half-hour lessons per week. One lesson is spent on the tennis court—the other lesson involves drills and activities pertaining to tennis. All sessions are under strict supervision.

If you would like your child to participate in eight tennis lessons per term, please return the permission note and payment of \$35. Cheques to be made out to Tamworth Public School or payment can be made online via the Parent Online Payment method or via cash.

Students MUST PAY before they play. Unfortunately we cannot offer a weekly payment schedule.
