GUITAR / UKULELE / DRUM LESSONS 2022

Dear Parents / Caregivers

Your child has shown an interest in having **Guitar / Ukulele / Drum lessons** with **Mr Von De Moray**. With your permission, lesson will commence in Week 1. **Drums lessons** will be held on Wednesdays in the after-school care building. **Guitar & Ukulele lessons** will be in the AV room next to the library. Times will be arranged for your child before this date.

Please send your term fee of **\$100** with this permission slip to and hand it to the tutor (Or front office). It must be in a sealed envelope written with your **child's name, class, Instrument & music tutor**. Payment can be made in **CASH** or with a **Creative kids Voucher**. Please make sure that your **child's full name and date of birth** is written clearly on the printed CCV voucher & the voucher number is visible. If your child wishes to continue with lessons and is already enrolled in our program, a term fee of \$100 will again be due at the start of each term.

Lessons are given in group sessions of **30 minutes every week**. Once a time allocated for your child, it is your child's responsibility to remember to attend. Noticed of student's lesson time will be posted in the Schools Class Dojo App. Please look for this and set a reminder in the app for your child to bring their instrument. If your child is unable to attend a lesson, 24 hours' notice must be given directly to the tutor if you require a make-up lesson.

Guitars & Ukuleles are available to hire through the school with preference given to older or more experienced students. There is a hire fee of \$40. If your child was given permission to retain their instrument over the summer holidays to practise, the annual fee is due at the start of the new year. If any damages occur during his time, you will be expected to pay for the services to fix these. Cheques are to be made payable to **Tamworth Public School**. **Please include the additional \$40** if your child needs to hire an instrument.

NOTE: Drum students will need their own drumsticks, practise pad and music book. It is essential that all students bring these with them every week, sticks cannot be shared with others. Mr De Moray will have all the information available on the first day of lessons.

Please be aware that the school does not hire drum kits. If your child wishes to progress with their lessons, they will need access to a kit for practise. Please consider this factor. Maybe a friend or relative might have one that your child could use if you do not have one at home as they can be quite costly. Online markets such as gumtree can be a good option as well.
