Dear Parents / Carers,

Please find information and a permission note for the Life Education Program which will run at our school in Term 2 from Monday to Thursday in Weeks 2, 3, 4 and 5. Life Education will be conducted in alignment with COVIDSAFE policies and is approved by the Department of Education.

It has been a worthwhile addition to our school programs for many years and is supported by the teachings of PDHPE in the classroom. The educators are professionally trained and experienced and the students who attend always enjoy meeting Healthy Harold. Lessons are chosen specifically for the age level of the students.

The cost for the session is \$12. We ask that all notes be returned, and payments finalised by Monday 2nd May.

This cost includes the teaching session with the trained educator, a student workbook for use in class, new resources for teachers and a sticker.

The classes will rotate through the program on a timetable to be established. Staff will do follow-up lessons during their class program and have access to online and smartboard resources, as well as a teacher's manual to assist students.

If you wish your child to participate, could you please send in the note and money to the class teacher by Monday 2 May 2022. We look forward to a valuable experience for your child and thank you in anticipation of your support of the program. Any questions please contact your child's teacher.

Yours sincerely,

Catherine Abberfield
Relieving Deputy Principal
